Weiyi Biotech · Helio PDRN

Weiyi Biotech (为邑生物) — a Chinese manufacturer of high-purity Helio PDRN (Sodium DNA) for skin-booster, mesotherapy and cosmetic R&D, with in-house molecular-weight control and per-batch documentation.

Cooperation	Wholesale supply of Helio PDRN (Sodium DNA) raw material through Teranova; sample and bulk grades available.
Specification and documents	A specification summary, Technical Data Sheet and Safety Data Sheet are shared with partners; a certificate of analysis is provided per batch. The full certificate of analysis is not published.
Certification	Brand-stated ISO 9001 and ISO 22716 GMP, and compliance with cosmetic standards in South Korea, the USA and the EU. Presented as stated by the company, not independently verified by Teranova.
Materials and rights	Company name, logo and material information are used under the written authorization of Weiyi Biotech (为邑生物) of 22 September 2026, for the company and product profile on the Teranova platform.
Price	On request; no public price list.

Prices and terms are indicative and confirmed at the deal stage through Teranova. The manufacturer's direct contacts are not published.
