CELLAHEAL

Dermocosmetics for age-specific skin concerns, from breakouts to enlarged pores

CELLAHEAL (ESTC INTERNATIONAL, Korea) — 9 SKUs in the current export price list: the SPOTLESS line for breakout-prone skin and the PORELESS line for enlarged pores

Supplier profile

About the company

CELLAHEAL is a dermocosmetic brand by the Korean company ESTC INTERNATIONAL (CEO Gun Kim), founded in 2024. Per the brand's own strategy, it is built around age-specific skin concerns: the SPOTLESS line for breakout-prone young skin (10–20s), the PORELESS line for enlarged pores (20–30s), and a stated TIMELESS line for signs of aging (30–40s, launch stated for March 2027 — not yet released products). The brand's idea: a customer who once solved their first skin concern with CELLAHEAL returns to the brand when the next concern appears.

The current export price list lists 9 SKUs. SPOTLESS (for breakout-prone skin): body wash, body mist, body lotion, cleansing foam, toner and serum, built on Salvia Leaf Water and a four-acid exfoliating system (AHA · BHA · PHA · LHA). PORELESS (for enlarged pores and excess sebum): gel cleanser, serum and cream, built on the proprietary PORE LASER™ complex (10,000 ppm) and apricot-derived PDRN.

Per the brand: products completed dermatologist and sensitive-skin tests (25 participants per test), acne-prone/breakout-prone skin care claims were filed with Korea's Ministry of Food and Drug Safety (MFDS), and the body wash formula is protected by Korean patent No. KR 10-2991658. The full line is registered under EU CPNP; select SKUs also carry FDA MoCRA (US).

- **Korea; legal entity ESTC INTERNATIONAL (CEO Gun Kim), brand CELLAHEAL (셀라힐)**
- **9 SKUs in the current export price list: the SPOTLESS and PORELESS lines**
- **No. 1 in overall sales for "breakout-prone skin" on Naver Shopping (per the brand, as of June 2025)**

- **Teranova met CELLAHEAL at its booth at K-Beauty Expo 2026**

Proprietary complexes

SPOTLESS COMPLEX™

A proprietary complex of apple and birch bark extracts and ferments (Saccharomyces/Coix Seed Ferment Filtrate, Lactobacillus/Pomegranate Ferment Extract); per the brand, it supports hydration and skin conditioning after cleansing across the whole SPOTLESS line.

PORE LASER™

A proprietary 10,000 ppm complex of green tea, yuzu, neem and white water lily extracts; per the brand, it is formulated for pore and sebum care in the PORELESS line.

4HA System

Multi-level exfoliation with AHA, BHA, PHA and LHA, used across all six SPOTLESS-line SKUs.

Product lines

SPOTLESS LINE

For breakout-prone skin (the brand's target audience: 10–20s): body wash, body mist, body lotion, cleansing foam, toner and serum, built on Salvia Leaf Water and the 4HA exfoliating system (AHA · BHA · PHA · LHA).

PORELESS LINE

For enlarged pores and excess sebum (the brand's target audience: 20–30s): gel cleanser, serum and cream built on the PORE LASER™ complex (10,000 ppm) and apricot-derived PDRN.

TIMELESS LINE

A stated brand line for signs of aging (target audience: 30–40s); launch stated for March 2027 — not yet released products.

ESTC INTERNATIONAL

Export and markets

This profile was prepared by Teranova from CELLAHEAL's own materials (ESTC INTERNATIONAL): brand introduction deck, product catalog and export price list, shared on 19 October 2026. The price list was shared as confidential: prices are not published here and are confirmed with the buyer through Teranova.

Registrations, testing and patent

EU CPNP | FDA MoCRA | KR Patent 10-2991658

Declared by the company. EU CPNP covers the full line; FDA MoCRA covers select SKUs (see individual product cards). Acne-prone/breakout-prone skin care claims were filed with Korea's Ministry of Food and Drug Safety (MFDS). Body wash formula patent KR 10-2991658. Dermatologist and sensitive-skin tests ran with 25 participants per test. Supporting documents are provided at the deal stage through Teranova.

Product formats

Body wash | Body mist | Body lotion | Cleansing foam | Gel cleanser | Toner | Serum | Cream

Terms of cooperation

Manufacturing

Republic of Korea (per the brand and its product catalog).

Minimum order

Depends on the SKU; the brand discusses the exact volume with the buyer through Teranova for a specific inquiry.

Wholesale price

The company's price list was shared as confidential and is not published here. Pricing is shared with the buyer through Teranova on a serious inquiry.

Regulatory status

EU CPNP across the line; FDA MoCRA (US) on select SKUs — see individual product cards.

Samples

Discussed with the brand against a specific request.

Cooperation

B2B inquiries and negotiations — via Teranova.

Working languages

Korean and English.

Prices and terms are indicative and are confirmed at the deal stage through Teranova. The supplier's direct contacts are not published: Teranova Group runs negotiation, verification and delivery.
