# CELLAHEAL

*Dermocosmetics for problem skin, from breakouts to enlarged pores*

CELLAHEAL is a Korean dermocosmetic brand by ESTC INTERNATIONAL: nine products in two lines, for breakout-prone skin and for enlarged pores

Supplier profile

# About the company

CELLAHEAL is a dermocosmetic brand by the Korean company ESTC INTERNATIONAL, founded in 2024. The brand builds its care around the main skin concern at each age. The SPOTLESS line is designed for breakout-prone skin, which is most common between the ages of 10 and 20. The PORELESS line addresses enlarged pores and excess sebum, a concern for ages 20 to 30. For March 2027 the brand has announced a third line, TIMELESS, for signs of aging.

The range currently includes nine products. SPOTLESS comprises a body wash, body mist and body lotion, a cleansing foam, a toner and a serum. They are built on Salvia Leaf Water and gentle exfoliation with four acids: AHA, BHA, PHA and LHA. PORELESS comprises a gel cleanser, a serum and a cream with the proprietary PORE LASER™ complex and apricot-derived PDRN.

The products have undergone dermatological testing and sensitive-skin testing. The body wash formula is protected by Korean patent KR 10-2991658. The full line is registered in the European CPNP system, and some products are also registered under the US FDA MoCRA. CELLAHEAL is sold in Korean pharmacies on pharmacists' recommendation, and on Naver Shopping and Qoo10.

- **Korea; brand CELLAHEAL (셀라힐) by ESTC INTERNATIONAL**
- **9 products in two lines: SPOTLESS and PORELESS**
- **No. 1 in sales on Naver Shopping in the "breakout-prone skin" category (June 2025, per the brand)**
- **No. 1 in the overall Qoo10 Japan ranking with the body wash + body mist set (per the brand)**
- **Teranova met the brand at its booth at K-Beauty Expo 2026**

Proprietary complexes

### SPOTLESS COMPLEX™

The proprietary complex of the SPOTLESS line: apple and birch bark extracts and two ferments, Saccharomyces/Coix Seed and Lactobacillus/Pomegranate. Hydrates and softens the skin after cleansing.

### PORE LASER™

The proprietary complex of the PORELESS line, 10,000 ppm: extracts of green tea, yuzu, neem and water lily for pore and sebum care.

### 4HA System

Gentle exfoliation with four acids: AHA, BHA, PHA and LHA. Included in all six SPOTLESS products.

# Product lines

## SPOTLESS LINE
