

SkinRoom Co., Ltd. · OBM — разработка марок под ключ

SkinRoom is a Seoul OBM studio: it invents the brand, develops the formula, manufactures it and handles the export paperwork. Twelve brands built from zero, minimum order from 3,000 units.

Forms of cooperation	A brand built end to end, private label for chains and distributors, a separate new line for an existing brand, or a Korean formulation added to a current range.
Minimum order quantity	From 3,000 units. The exact figure depends on the format and packaging and is confirmed through Teranova.
Lead time	About 90 days from the first interview to a finished product — as stated by the company.
Prices	Price on request. The calculation is made for the specific product, volume and packaging; by the nature of the service there is no price list for this business.
What is included	Identity and packaging, formulation and fragrance development, manufacturing and quality control, product pages and website, export documents, launch support.
Certification	Vegan, cruelty-free and dermatologist-tested options are available. The specific set is agreed for the destination market.

Prices and terms are indicative and confirmed at the deal stage through Teranova. The manufacturer's direct contacts are not published.
