

AGERA BioTech, Inc. • AGERIN

Korean derma cosmetics built on a patented Ageratum extract: eight products for dry, sensitive and itch-prone skin, four patents and papers in peer-reviewed scientific journals

Forms of cooperation	Wholesale supply of finished products under the AGERIN brand. The company is open to working with distributors, clinics and specialist retail.
Territory	The company has stated an interest in Latin and North America. Existing partners and open markets are being clarified; terms are discussed through Teranova.
Minimum order	The company has passed its minimum batch sizes by product to us for internal review. Specific figures are shared with the buyer on a serious enquiry through Teranova.
Price	The company passed its export price list to us as confidential, and it is not published. Terms are shared with the buyer on a serious enquiry through Teranova. Delivery basis FOB Korea.
Documents	Patents, publications, human trial reports and regulatory registrations are provided separately, for a specific market or a qualified buyer.
Languages of communication	English and Korean.

Prices and terms are indicative and are finalised at the deal stage through Teranova. Direct supplier contacts are not published: Teranova Group runs the negotiation, the checks and the delivery.
