THEMAQUEEN

Korean developer and manufacturer of beauty accessories

THEMAQUEEN focuses on cooling massagers, facial cleansing brushes and scalp-care brushes

About the company

THEMAQUEEN is a Korean beauty-device manufacturer founded in 2014. Its official website states that it supplies OEM products to Korean and overseas cosmetics brands and also operates its own brand.

The company's official websites state that products are made in Korea using company-owned moulds and that its designs are patent-protected. Teranova verifies the applicable manufacturing, technical and IP documents separately for each B2B project.

Founded in 2014

Categories: cooling massage, cleansing and scalp brushes

OEM activity stated on the official website

Documents and suitability verified per project

Product range

Cooling massage

Accessories for cooling care of the face, eye area and scalp.

Cleansing brushes

Manual brushes and accessories for everyday facial cleansing.

Scalp care

Shampoo brushes and massage accessories for scalp-care categories.

Technology

Project-specific verification

The company describes company-owned moulds, original design and production in Korea. Supply scope, rights to a specific model, tests and labelling are confirmed separately before a transaction.

Export and terms

THEMAQUEEN gave written permission for a corporate profile. Individual product pages, direct contacts, client lists, patent numbers, certificates, prices and confidential terms are not published here.
